

CPO, Managing Practitioner

About the job

New Hope Prosthetics & Orthotics is looking for an experienced practitioner to assume the helm of one of our largest and most established regions. Based in the heart of Arkansas, our seasoned team is looking for a leader to keep and expand on the excellent foundation that has been laid over the past 40 plus years. As managing practitioner of our largest market area, this position will oversee two of our highest grossing clinics. These clinics also have a loyal referral base with excellent growth opportunities. Minimum of 5 years clinical experience needed.

Why join New Hope Prosthetics & Orthotics?

Competitive salary | Top projects | Big impact from day one | Fantastic team

- Competitive Pay
- Bonus Potential
- Health, Dental & Vision Insurance
- Basic Life Insurance
- Short-Term and Long-Term Disability Insurance
- Paid Holidays, Vacation & Sick Time
- Safe Harbor 401(k) with 5% Match
- Relocation Assistance
- Paid yearly attendance to State O&P Meeting and National Convention

New Hope Orthotics & Prosthetics provides personalized small-town care with top-tier technology and service. Our modern facilities are dedicated to delivering the finest prosthetics, orthotics, and pedorthics, all with a shared commitment to patient well-being. We are part of Equal U.S. giving our team access to world class technology, international resources and educational events, global charity missions and our commitment to innovation, growth and “caring for all”.

Main Responsibilities

- Provide Prosthetic & Orthotic Patient Assessment & Treatment
- Facilitate Team Communications & Clinical Team Leadership
- Provide Proper Coding & Documentation Utilizing OPIE Software
- Facilitate Existing & Potential Referral Source Communications / Relationship Development
- Participate in Strategic Planning & Implementation
- Perform Other Duties as Assigned that Support Team & Organizational Success

Position Requirements

- Current CO, CP or CPO Board Certification by the American Board for Certification (ABC)
- Ability to obtain and maintain license in the State of Arkansas
- Knowledge and ability to demonstrate cast modification techniques
- Detailed knowledge of device fabrication
- Must be able and willing to adapt to new technology and techniques
- Excellent communication and team management skills

*Only applicants authorized to work in the United States should apply. In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification form upon hire. New Hope is not able to offer immigration sponsorship at this time.

Arkansas is Amazing!
